

THE GEORGIA CHAPTERS OF
EIA ASSE AIHA
Are Proud to Sponsor
THE FALL GOLF CLASSIC

Thursday October 10, 2002
The Trophy Club of Atlanta

It is that time of year again. Time to send in your entry, Let's Tee-it-UP! The Trophy Club of Atlanta will again be the site of the **2002 Fall Golf Classic**. The members of the Georgia Chapters of the Environmental Information Association, American Society of Safety Engineers, and American Industrial Hygiene Association once again cordially invite you to join us for a day of golf. **The Fall Golf Classic**, in the past and again this year, will provide an opportunity for the members to gather in a casual atmosphere to network, promote each chapter, develop business relationships, and most importantly have a great day with great people on the golf course.

This year's event will again be a **four-player scramble**. Players are encouraged to arrive at the golf course early. The driving range will open at 8:00 am, allowing sufficient time to find the groove prior to the tournament. Teams will be announced and instructions will be given promptly at **8:45 am** and tees times will begin at **9:00 am**. An awards presentation will follow the competition, please plan to join us.

In addition to the team scramble tournament, players will have an opportunity to win prizes individually. Hole events such as closest to the pin and longest drive will provide low stress competition. For some of us, this may be our only opportunity for glory.

The **entry fee** is **\$75.00**, which includes greens fee, cart, range balls, box lunch, prizes and of course unlimited friendship and networking opportunities. **The deadline for entry is September 26, 2002. Currently we have 50 tee-times reserved.** We may be able to secure additional spots if we fill the field early. If you have questions or would like to be a **Classic Sponsor**, please contact Tod Dawson at Compass Environmental, Inc., (770) 499-7127 or TADawson@CompassEnv.com. We look forward to seeing you on the links! **Proper attire and soft spikes are required!**

Directions to Trophy Club of Atlanta 15135 Hopewell Rd. (770) 343-9700: GA 400 north of perimeter to Windward Pkwy (exit 11). Turn left and proceed west on Windward Pkwy 5.5 miles to the Trophy Club entrance on the right. Note: Windward Pkwy will turn into Cogburn Rd. then into Hopewell Road. See you there!
